SOPHOS

Exclusive MDR Bundle for MSPs

Available to partners in the MSP Elevate program

Includes MDR Complete, plus:

- All integration packs
- Sophos NDR
- 1-year data retention

Compelling pricing:

- Same price for endpoints and servers
- ~20% uplift on MDR Complete for Endpoints

Easier sales

The simplified proposition is easy to communicate and removes friction and admin overhead

Future-proofed

The inclusion of all integration packs ensures seamless continuity if your customer changes or expands their technology providers

Value differentiation

The high value offering enables you to grow your business — and profit margins

Superior outcomes

Maximizing telemetry input through the inclusion of all integration packs and NDR accelerates threat detection and response

Exclusive 40% Discount on Network-in-a-Box

Available to partners in the MSP Elevate program

Network-in-a-Box:

- 5 go-to network hardware bundles
- Each includes Firewall, Switch and Wireless Access Points

Compelling pricing:

- 40% discount on hardware bundles, effected via promo code
- Non-Elevate partners can sell Network-in-a-Box but do not get the discount

Easier sales

The go-to bundles make it easy to quote and sell a right-sized network security solution

Easier management

Users can manage all their Sophos network solutions in the Sophos Central platform, increasing ease and efficiency

Increased profitability

Helps expand footprint with the full network stack while the 40% saving increases profitability

Superior outcomes

Sophos Active Threat Response enables users to automatically block network threats across all Sophos products

SOPHOS

Network-in-a-Box: Five Go-To Bundles

All the protection organizations need from a single provider, managed from a single console, and that works better together - to block active threats and automatically isolate compromised devices.
