

SOPHOS MSP Elevate

Rewarding Commitment. Accelerating Growth.

Turbo-charge your Sophos business with the new MSP Elevate benefits program! In return for a non-exclusive commitment to sell Sophos solutions you'll enjoy fantastic business-accelerating benefits.

Give your MSP business a boost

An exclusive MDR Bundle for MSP that delivers powerful value-based market differentiation while streamlining sales and providing new monetization opportunities.

40% discount on Sophos Network-in-a-Box hardware bundles, making it easier and more profitable to deploy an integrated network stack solution that automates threat response.

Growth-based rebates that recognize and reward MSPs who increase their Sophos business.

Architect-level training on Sophos Endpoint and Sophos Firewall, enabling you to expand your in-house services offering and identify new sales opportunities.

We are regularly expanding this offering. Check the program page for the [latest updates](#).
