

Trade-in Promotion: Sophos Firewall and XGS

Get a free XGS Series hardware appliance when you order a minimum 3-year term of Xstream Protection*

[Valid until March 31, 2026]

Replace your existing competitive firewall with a new XGS Series hardware appliance and get 99% discount on the hardware plus 1% discount on Xstream Protection [XGS 108(w) and higher]. Sophos Firewall and the XGS Series appliances give you the very best in protection and performance to power and protect your network. From the smallest office or retail outlet to larger distributed and campus networks, our XGS Series includes multiple form factors to suit the requirements of many different environments.

This offer is valid for customers who are completely new to Sophos and for existing customers with other Sophos product(s). A separate offer is available for Sophos UTM/SG Series customers and XG Series customers.

THE BENEFITS:

- **Powerful Protection and Performance:** Sophos Firewall's Xstream architecture provides protection from the latest threats whilst accelerating important cloud, SD-WAN and other app traffic. The dual-processor XGS Series models include a dedicated hardware FastPath for trusted traffic, freeing up resources for important deep packet and TLS inspection for the traffic that needs it.
- **Xstream Protection:** A single license bundle for advanced protection with Network, Web and Zero-Day Protection plus Central Orchestration for SD-WAN VPN orchestration and a 30-day Central Reporting Advanced data retention period. Rounded out with Enhanced support, this bundle has everything you need to protect your network.
- **XDR/MDR Connector:** Extend your detection and response beyond your firewall with Sophos Managed Detection and Response. Sophos Firewall works in combination with other Sophos products which are licensed separately. See sophos.com/mdr for further details.
- **ZTNA Gateway:** A fully integrated ZTNA gateway on your firewall makes deployment easier than ever. See sophos.com/ztna

Terms and Conditions (“Promotion”)

- This promotional offer is valid for the period from July 1, 2025 through March 31, 2026 (“Promotion Period”) unless otherwise determined by Sophos.
- This Promotion is a limited time offer only available through participating Partners that are located in the following region:
 - **Region:** Austria, Germany, Liechtenstein and Switzerland

The Promotion:

- **Trade-In Offer: Buy an XGS Series hardware appliance together with at least 3 years of Xstream Protection and get 99% discount on the hardware plus 1% discount on the Xstream Protection subscription (XGS 108(w) and higher) or 50% discount on the hardware only (XGS 88/88w).**

To be eligible for the Promotion:

- The purchase order must include an XGS Series hardware appliance, and Xstream Protection subscription for that appliance model with a minimum term of 3 years.
- The order must be for a single new firewall customer. A separate Promotion is available for Sophos UTM/SG Series customers and XG Series customers.
- This Promotion is not valid for High Availability (HA) appliances except when ordered with their own minimum 3-year term for Xstream Protection (Active/Active).
- Sophos reserves the right to validate the ownership of any competitive firewall being replaced by the purchase of the XGS Series hardware under this Promotion and may at its sole discretion request proof of ownership by end customers in the form of an invoice, serial number or such other similar information or documentation Sophos deems appropriate.
- This Promotion may be combined with the promo code HW_3FREE to provide a 3-month term extension at no extra cost (terms and conditions apply).
- The use in combination with other Sophos promotions that offer discount on XGS hardware or related firewall subscriptions or with additional discretionary discounting is explicitly excluded.
- This Promotion must be applied at the time of purchase and cannot be retrospectively applied to previous orders or transactions.
- The Partner organization and participants in this Promotion must comply with all applicable anti-bribery and anti-corruption laws and the Sophos policy <https://www.sophos.com/en-us/legal/sophos-antibribery-policy.aspx> at all times.

- Sophos may, in its sole discretion, disqualify any participant from this Promotion, and modify, suspend, or terminate this Promotion or any order, in whole or in part, at any time and for any reason. In the event of any disputes concerning this Promotion, these terms and conditions, or any order, the decision of Sophos to disqualify any Participant from this Promotion, and/or modify, suspend, or terminate this Promotion or any order submitted by a Participant will be final.
- This Promotion is void where prohibited by law, and subject to applicable laws and regulations. Participants agree that Sophos will not be liable for any loss or damage arising from this Promotion.
- Participants in this Promotion are solely responsible for declaring such promotions and paying any applicable taxes and fees.
- The participating Partner has the exclusive right to determine the prices charged for all Sophos products and services.
- **Privacy:** Sophos will use the personal details of the participant to conduct this action. You may also use the data in accordance with our Sophos Group Privacy Policy, which is available at the following URL: <https://www.sophos.com/en-us/legal/sophos-group-privacy-policy.aspx>
- This promotion shall be governed in accordance with German law for partners in Germany and Austria, and Swiss law for partners in Switzerland.
