

Most Infinigate policies are classified as company confidential.

These policies are reviewed either upon changes or on an annual basis and are subject to both internal and external audits annually, in accordance with ISO requirements.

Publicly available policies can be accessed via the Infinigate website: [Home - Infinigate](#)

For additional information, please contact your account manager. Kindly note that if you wish to schedule an audit, a minimum notice period of three weeks is required.

Thank you for your cooperation.
